

Reading Task

Recently, we have been learning about the well-known traditional tale 'Goldilocks and the Three Bears'.

Firstly, retell the story to your parents.
(you could use a copy of the story if you have one or a Youtube video to support you)

Now use the story to help you answer these questions.

Whose bed did Goldilocks fall asleep in?

How did Goldilocks break Baby Bear's chair?

Why were the Three Bears not at home?
