1<sup>st</sup> May 2024

Dear Parents/Carers,

We have noticed that since the beginning of this term, there has been a dip in attendance for some children in year 6. We are very proud of the children and how hard they have worked towards their SATs but with 2 weeks to go, can we ask that all children try their hardest to be in school every day.

Attendance is essential to ensure the maximum success for your child in the last push to be ready for SATs and for transition to secondary school.

We understand that there will be times that children are unwell and of course must stay at home to get better. However, please be aware should your child be experiencing headaches, period pains, cold/flu symptoms, we can help manage these symptoms with Calpol or any other medication your child may need, in school.

Thank you for your continued support. Please do speak to me or one of the year 6 teachers if we can assist further.

Best wishes

Miss Hastings

Year 6 Phase Lead
