16<sup>th</sup> May 2024

Dear Parents and Carers,

Year 1 will be visiting Testwood Lakes Centre across two dates:

- 1W class will be attending on Tuesday 9<sup>th</sup> July
- 1C class will be attending on Thursday 11<sup>th</sup> July
- 1GM class will be split between the two dates; we will be able to let you know what date your child will be attending once we have a list of volunteers.

As part of our Science subject 'animals including humans', the children will be pond dipping, looking for minibeasts in the wooded area and the meadow.

The cost of this visit, which includes the coach and the educational activities will be £20. This needs to be paid via the MCAS app please, which is under Trips and Visits, under the 'Available' tab and you will need to complete the attached permission form and return this in order for your child to attend. **We need to have your completed forms back by Thursday 20<sup>th</sup> June.** We will be looking to have parent volunteers with us on this visit, so if you are able to assist, please could you indicate this on the permission form and the teacher will make contact with you near the time.

We ask that the children wear long trousers/long sleeves and sensible footwear for this visit due to ticks possibly being present in the long grass. If the weather is sunny on the day, we ask that you put sun cream on your child/ren in the morning and they can take and wear a hat.

If you would like your child to have a school packed lunch, please indicate this on the permission form attached also.

*Whilst this is a voluntary contribution, if there is not enough support for this visit, it will have to be cancelled.*

Thank you,

The Year 1 Team

Enc.
