

## French - Year 4 - My local area, your local area (Bonfire night poem, classroom commands, places in town, Christmas shopping) – Autumn 2

Prior Learning: In year 3 children learnt about the colours associated with bonfires, they have learnt some classroom commands and about festive traditions in France.

### Where is the most beautiful small town in France?

Riquewihr is a village of less than 1,500 souls in northeastern France that is known for two things: its historic architecture and its great wines. Still looking much like it did in the 16th century, Riquewihr is considered one of the most beautiful small towns in France.

### 4. TWAL: I can say and recognise places in town

In this lesson we will learn the names of different places in town.

Places begin with either – la, le or l'. It means 'the'

### 1. TWAL: I can identify and find meaning of some new colours

In this lesson we will be using our colours knowledge to write a bonfire poem. We will be trying to imitate sounds and identify key sounds.

### 5. TWAL: I can ask 'where is?' and classify nouns

We will learn to ask where something is in the town and begin to understand that nouns are either masculine or feminine. We will be trying to ask questions accurately.

There are two types of noun in French – masculine or feminine

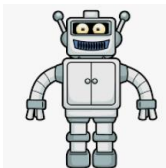

### 2. TWAL: I can read and understand commands

We will be programming robot to carry out simple movement commands. We will try hard to recall previously learnt language.

We need to think carefully about how we pronounce the key sounds in colours.

### 6. TWAL: I can identify and name shops in French

In this lesson you will be helping Santa do his Christmas shopping and telling him which shops to visit. You will be aiming to speak confidently.

### 3. TWAL: I can say and understand classroom instructions

In this lesson you will be aiming to write a short sequence of commands to program a robot. We will be trying to speak confidently.
