

## French - Year 5 - Talking about us/school subjects – Autumn 1

Prior Learning: In year 3 and year 4 children have previously learnt how to introduce themselves, some rooms in a school and some basic classroom commands

### School subjects in France:

The primary school curriculum in France is similar to that in other countries, and includes literacy and numeracy, with classes in French, arithmetic, but also geography and history, the arts, and more and more frequently a foreign language, usually English

### 4. TWAL: I can give some important details about myself and others

In this lesson we will be learning how to give personal details about ourselves and others using personal pronouns.

Elle – She I - He

### 1. TWAL: I can introduce myself with simple sentences

We will be learning how to say more information about ourselves.

### 5. TWAL: I can name school subjects and say which I like and dislike

We will learn the names of some school subjects in French and to say if we like or dislike them. We will try to make links to English and imitate how words sound.

Some French and English subjects have similar spellings.

### 2. TWAL: I can introduce myself with simple sentences

In this lesson we will be talking about how we are feeling. We will be trying to listen attentively and speak confidently.

### 6. TWAL: I can say sentences about school subjects

We will write some sentences about our subject preferences using a model. We will be trying to take risks and learn from our mistakes.

### 3. TWAL: I can explain in more detail how I'm feeling

We will be adding more detail to explanations about how we are feeling. We will be trying hard to extend our sentences and take risks.
