

French – Year 5 – Out of this World – Summer 1

Prior Learning: The children have prior learning about adjectives and asking/answering questions

ID cards in France:

The French national identity card (French: carte nationale d'identité or CNI) is an official identity document consisting of an electronic ID-1 card bearing a photograph, name and address. While the identity card is non-compulsory, all persons must possess some form of valid government-issued identity documentation.

4. TWAL: I can read and understand simple information about planets

We will be learning about the planets by playing games. We will read descriptions and draw pictures. We will make educated guesses using the context and use a bilingual dictionary.

1. TWAL: I can understand words used on an ID card

We will learn about the information that is included on an identity card. We will learn the words for different nationalities and create our own personal ID. We will try to make educated guesses, speak confidently use previously learnt language.

5. TWAL: I can recall and use familiar vocabulary to understand simple information about planets

We will read and colour code vocabulary about planets, we will then draw planets based on what we have read. We will be trying to identify key sounds and silent letters.

2. TWAL: I can ask and answer questions about someone's identity

We will explore questions and answers about someone's identity. We will then make a video where we will be asking and answering questions. We will try to ask questions accurately, take risks and learn from mistakes.

To create the negative – add 'ne' before the verb and 'pas' after the verb.

6. I can create an imaginary planet

In this lesson we will revisit the weather in French and make a poster about our own planet. We will recall previously learnt language and use a bilingual dictionary.

The verb used to talk about the weather is 'faire'

3. TWAL: I can name planets in French and use adjectives to describe them

We will play games, sing and listen to descriptions to learn the names of the planets. We will try to make links with English, imitate pronunciation of sounds and speak confidently.

Words we will know!
