

# French – Year 6 – Investigating Sports – Spring 1

Prior Learning: Children have learnt how to talk about likes and dislikes

## Sport in France:

Football is the most popular sport in France. The French national team won the World Cup in 1998 and also reached the final in 2006. France has produced some great players and some of them, including Éric Cantona, Thierry Henry, Olivier Giroud and Hugo Lloris, also played football in the English Premier League.

## 4. TWAL: I can identify parts of the verb jouer

We will play games to learn how to use the verb jouer. We will try to make links with English.

In French the verb ending changes when a different person is doing the action.

## 1. TWAL: I can understand and remember some sport nouns

In this lesson we will play games and do an activity to help us remember the names of some sports. We will try to make links with English, speak confidently and listen attentively.

Most sports look similar to the English words.

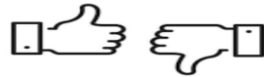

## 5. TWAL: I can describe a sport using simple sentences

In this lesson we will use models to talk about and write about different sports. We will try to speak confidently, listen attentively and take risks.

## 2. TWAL: I can say which sports I like and dislike

In this lesson we will play some games to learn how to say which sports we love, hate, like and dislike. We try to join in with games to help us remember and we will try to speak confidently.

## 6. PUZZLE IT OUT – Assessment Lesson

We will complete four short tasks - reading, writing, speaking and listening. We will aim to do our best!

## 3. TWAL: I can create extended sentences about sports

We will learn how to include adjectives in our sentences about sports. We will make educated guesses using the context and take risks.
