

## French Year 6 – Transition – Summer 2

Prior Learning: Children have learnt about a variety of topics in French

### 4. TWAL: I can remember fruit and vegetable nouns

We will continue with our newspaper article and the adapt a script about a scene in a café. We will revise fruit and vegetables and then create our own mocktail. We will recall and use previously learnt language and make educational guesses.

### 1. TWAL: I can read and understand a humorous sketch

We will start creating a newspaper article about everything we have learnt about in French. We will do a bit each week. We will read and understand a funny sketch set in a restaurant. We will try to act it out!!

### 5. TWAL: I can understand nouns to do with nature/classroom

We will continue with our newspaper article and the adapt a script about a scene in a café. We will then learn vocabulary associated with a scavenger hunt and then we will go on a hunt. Your teacher will decide if it's going to be outdoors or indoors.

### 2. TWAL: I can adapt a model and write my own café sketch

We will continue with our newspaper article and the adapt a script about a scene in a café. We will aim to speak confidently and listen attentively.

### 6. TWAL: I can apply my language detective skills to learn another language

In this lesson we will use our language skills when learning Spanish. We will play games and complete puzzles.

### 3. TWAL: I can take part in a performance of a café sketch

We will continue with our newspaper article and the adapt a script about a scene in a café. We will perform our own café sketches!! We must have a positive attitude to learning about languages.
