

WORDSWORTH PRIMARY SCHOOL

E SAFETY AGREEMENT (Year R and Year 1)

2015

Within school all pupils use a range of ICT equipment, including cameras, computers and accessing the internet as an essential tool to enhance learning. In Early Years and Year 1 any use of ICT is always carefully supervised. As a pupil of Wordsworth Primary School the expectation is that both pupils and their parents/ carers agree to the E-Safety rules as stated below. Please ensure that you talk about these with your child so that they are understood.

Pupil's Agreement

I understand there are rules when I use the computer and I agree to follow those rules.

I agree that I will use all ICT resources in a responsible way at all times. (For example only watch what the teacher has put up on the screen and not try to change it.)

I will tell my teacher or teaching assistant if I see something on the computer I am not happy with.

Parent/guardian Agreement

I agree to support the school by encouraging my child to follow the E safety rules and will talk to my child about safe use of ICT when appropriate.

I agree that I will not use my mobile phone in the school building.

I agree not to use my mobile phone or any other camera to take photographs, unless it is a special occasion such as Christmas Performances or Sports Day and I have permission. In this instance I agree they will be for my own private use and I will not publish any such photos on any website/social networking site.

Parent/ guardian consent for web publication of work and photographs

I agree that my son/daughters work may be electronically published. I also agree that appropriate images and video that include my son/daughter may be used for educational purposes as well as being published on the school website. For safeguarding purposes, photographs will not be accompanied by pupil names.

If you do not agree it is your responsibility to inform the school in writing.

Parent/ guardian consent for internet access

I have read and understood the Wordsworth E-Safety rules and as a parent/ guardian I give permission for my son/ daughter to use the ICT resources in school, including access to the internet. I understand that the school will take all reasonable precautions to ensure that pupils cannot access inappropriate materials, including the teaching of E Safety skills, but I appreciate that this is a difficult task and that ultimately the school cannot be held responsible for the content of materials accessed through the internet. I agree that the school is not liable for any damages arising from use of the internet facilities.
