4. Communicate your own response to the concept of Wisdom.  
TWAL: to communicate our understanding of wisdom.

We will describe our own responses to wisdom using our experiences.

Wisdom means having experience, knowledge and good judgement.

3. Evaluate: What do you think about the Sikhs thinking that the Gurus are wise?

TWAL: to evaluate the importance of wisdom for Sikhs.

We will describe the value of Gurus' wisdom to Sikhs.

Sikhs believe that having Wisdom means having knowledge.

5. Apply: How does being wise impact on your life? What is a wise choice?

We will describe examples of how our response to wisdom relates to our lives and the lives of others.

Theme: Guru Nanak and the Gurus

Concept: Wisdom: How do the Gurus show wisdom?

Guru Nanak was a wise man who founded Sikhism. Sikhism was based on the 9 Gurus who followed him.

2. Contextualise: How did the Sikh Gurus show wisdom?

TWAL: to contextualise wisdom in the Sikh faith.

We will describe how the Gurus show wisdom.

The Guru's showed wisdom through their teachings.

1. Inquire: What does the concept of wisdom mean?

TWAL: to inquire about wisdom.

We will read a story with a wise character (such as Winnie-the-Pooh with the Wise Owl character) and identify what they do that makes them wise so we can describe the concept of wisdom.
