

Dear Parents/ Guardians

We would like to start by thanking everyone who has been busy doing the home learning activities. We have seen some fantastic work on Dojo, and have been very impressed with the resilience and hard work shown.

As you know we have invited Yr 3, 4 and 5 children into school during the week commencing 13th July (dates will vary depending on your class, please see the invite for reference). Whilst we will be encouraging all children to return to school, we appreciate it is a difficult decision to make for each family. However, while Year 3, 4 and 5 are in school there will not be any new home learning activities uploaded to the website. Therefore from w/c 13th July we will no longer be using the Dojo system as a form of communication or as a system for looking at work.

If you would like to continue to home school your child, here are a list of useful websites that we would recommend.

We thank you for all of your hard work and communication through the Dojo system and look forward to seeing as many of you as possible next week.

Please take care and keep safe
