1<sup>st</sup> November 2022

Dear Parents/Guardians,

As part of our Design Technology lessons in Autumn 2, we will be trying a variety of vegetables and we will also be making a salad. We will be making and sending our salads home in week 6.

In our third lesson we will be taste testing a variety of vegetables to help us decide which vegetables to include in our salads.

Please can you complete the attached slip to let us know if you are happy for your child to try the different types of food and inform us of any allergies or intolerances.

**Please complete the permission slip and return to the school office before Wednesday 9<sup>th</sup> November.**

Thank you for your support,

The Year 2 Team
