8<sup>th</sup> November 2022

Dear Parents and Carers,

During our design and technology learning this half term, year 5 pupils will be making a seasonal fruit crumble. In order to design our crumbles, the children will need to taste different fruits to decide what they would like to include. We will also be making and tasting our crumbles in order to evaluate what we have made.

Please find the permission slip below for you to confirm that you are happy for your child to participate in tasting different uncooked fruits, as well as their finished crumble. Please notify us of any food allergies or intolerances that would affect your child's participation in this activity.

Thank you for your support,

Mrs Horton

(Year 5&6 Phase Leader)
