

Art Year 1 Summer 2 Illustration Concept: mark making

Prior Learning: In Year R children will have: *Safely used and explored a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function*

Meet some amazing illustrators:

Beatrix Potter is a famous author and illustrator who created the famous 'Peter Rabbit' books

E H Shepard is an artist and book illustrator known for drawing the animals in 'Winnie the Pooh' and 'The Wind in the Willows'.

4. TWAL: about E H Shepard and how he illustrated?

We will look at illustrations by E H Shepard and compare how they are similar and different to Beatrix Potter's animal drawings. We will look at how using a pen and ink to draw changes how you shade a drawing.

When we draw with a pen we have to use lines to shade

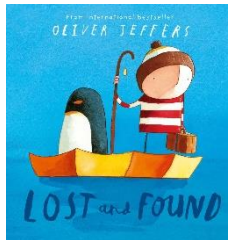

1. TWAL: about different styles of mark making

We will look at some of the picture books in our classroom and talk about how they are different. We will talk about the styles of illustrating that we like.

Mark making is when you make shapes and patterns out of circles, lines or any shape you want!

5. TWAL: to plan and draw our final illustration.

We are going to use all our new knowledge of illustration, deciding what is going to go in the foreground and background, use mark-making to draw the outline, and what materials we use!

2. TWAL: what an illustration is.

We will look more closely at illustrations from different books, looking at the character, the foreground and the background. We will think about how they help us to imagine the story.

We will have a go at drawing our own illustration!

6. TWAL: To evaluate our artwork

We will evaluate our artwork and decide what we liked, what skills we have learned and what we will improve next time.

Great artists can say what they like and what they would do better next time!

3. TWAL: about Beatrix Potter and how she illustrated

We will look at the Beatrix Potter books and compare her drawings of different characters. We will have a go at copying some of her famous characters using our new mark-making techniques!

Great artists usually sketch lots of little light lines before making a thick outline.
