

Golden Rules

Our 'Golden Rules' remain the same and are made up of 4 elements:

1. Always try your best
2. Always respect others
3. Always be polite and friendly
4. Always respect the school and the grounds.

School Values

Team work, Resilience, Ambition, Diversity, Creativity, Empathy, Critical thinking.

House Teams

Once in KS2 (Years 3-6) all the children will be allocated a team to collect points for. Siblings will be placed in the same house as each-other. Following our literary theme the four houses have been named after Publishing Houses, which are also names of birds.

They are:

Puffin (House colour Yellow)

Penguin (House colour Orange)

Kingfisher (House colour Blue)

Kolibri (Hummingbird) (House colour Green)

Year R

In Year R the children will be collecting

Dojo points for good attitude, effort, attainment, effective characteristics of learning and behaviour.

Each time a child gets 15 Dojo points they will receive a coloured rainbow award in the Year group assembly (Red, orange, yellow, green, blue, indigo). Once a child has received all 6 coloured certificates they will be given a special Rainbow Award (parents will be invited to attend this assembly)

They will then begin the process again.

In class children will be aiming to get 'dino' effective characteristic of learning stickers.

Each time a child gets 20 Dojo points they will receive a coloured rainbow award in the Year group assembly (Red, orange, yellow, green, blue, indigo).

In Year 1: Once a child has received all 6 coloured certificates they will be given a special Rainbow Award (parents will be invited to attend this assembly)

In Year 2: Once a child has received all 6 coloured certificates they will earn a very special rainbow badge to wear on their uniform (parents will be invited to attend this assembly)

called House points. Children can choose their own 'avatars' to represent them.

Every time the children earn 25 house points they achieve a certificate. When they achieve **100** house points they gain their 'Bronze Award'. Children then work towards their Silver award (**250**), followed by Gold (**500**), followed by Platinum (**750**) followed by Diamond (**1000**) Children who exceed this (usually in Year 5 and 6) will then work towards their 'Head-teachers Award' (**1250**), 'Governors Award' (**1500**), 'JET Award' (**1750**) and the 'William Wordsworth Award' for Outstanding achievement. (**2000**) Badges are awarded in Year group/ celebration Key Stage assemblies

Additional rewards

Golden Time/ Star of the Day/Week

Children may earn other rewards such as table points and class points which they can swap for class rewards chosen by the class. Teachers can also nominate a star of the day or week in KS2 who has an agreed set of rewards e.g. lining up first, going out to play first etc.

Wow Cards

Teachers can select children for Wow postcards to be sent home on a Thursday by post to arrive on a Saturday morning. These may be awarded for special achievements/ consistently working hard/ improved behaviour/ attendance and a whole host of other things

Sanctions

Obviously we place the emphasis on positive behaviour. However, with any reward system there also has to be a set of consequences if children make the wrong choice, and their behaviour is inappropriate. To help the children make the right choice we operate a system of steps. Please see the Sanctions information for detail. We use 'restorative practice' principles when we are resolving issues or problems (step 3) including any issues that arise at playtime or lunchtime.
