SWIMMING

Children will need:

- Swimming costume/trunks/shorts
- Towel
- Goggles
- Hair brush
- Water bottle

Swimming lessons will take the place of one of our two weekly PE lessons.

Each class will go on a different day (Wednesday, Thursday or Friday).

Trained swimming teachers will teach the children, and school staff will supervise around the pool.

Children will be assessed and grouped into three differentiated groups.

If you would like to speak to your child's teacher about anything specific regarding swimming, the first parent/teacher meeting would be a great opportunity.

BIKEABILITY

Autumn Term

11th – 22nd November (one of the two weeks)

We'd love all children to take part.

No cost involved.

If your child can't ride a bike, they can still take part in the 'playground' group.

Sensible shoes please – trainers are best

Coats – it will be cold!

As children get closer to being in Year 6, and moving on to Secondary School, we will be increasing the amount of homework we expect to be completed. This is in order to help children get used to having to organise themselves, and so that the homework expectations aren't such a shock when they move on.

Homework and spellings will be put onto the school website (Year 5 page).
