Ofsted Inspection Report

Dear Parents/Carers,

We have now received the final report from OFSTED following our inspection on 28th and 29th March 2023.

We are really pleased that the inspectors found that the children are happy, safe and well looked after at Wordsworth. We are thrilled that they noted our children are also, "accepting in their outlook on diversity and difference." Ofsted inspectors also noted that leaders have made reading a priority across the school and recognised the work to make the curriculum secure for all pupils.

It is obviously very disappointing for all members of staff that the overall judgement of requires improvement was given. However, we are already working hard to address the one action point which is related to pupil and staff understanding of our behaviour policy. As part of this work, we are amending our information to parents about our behaviour systems. Please do check newsletters and the website for updates.

All staff in school continue to be committed to providing the best education for all children at Wordsworth Primary School.

Now is the time to look forward and we appreciate your continued support and trust in us.

J Palfrey
