15<sup>th</sup> September 2023

Dear Parents/Carers,

## **Year 3 Stone Age Workshop – Wednesday 27<sup>th</sup> September 2023**

As you know we have an exciting visit on 27<sup>th</sup> September for our Year 3 children from a company called Portals to the Past. They will be exploring the Stone Age to the Iron Age in an immersive workshop.

The children will be taking part in lots of activities during the day and if they would like to dress up for the day in Stone Age clothing, then they can do this if they wish.

Ideas could be to wear brown clothes or animal print, or you could use a dark pillowcase to cut holes for head and arms and use a rope around their waist.

We do not want you to go out and buy something so if you do not have any of the ideas above, please don't worry.

We will be making headbands in school and at some point, we will be daubed with red ochre, which is a natural clay.

If you **do not** give permission for your child to wear the red ochre clay, please let us know in writing, either as an email to the office to [info@wordsworthprimary.co.uk](mailto:info@wordsworthprimary.co.uk) or via a note to the class teacher before the day.

If you would still like to support the school and contribute to the visit and haven't already done so, you can do this via your child's MCAS app. The visit can be found under Trips and Visits, under the tab that is called 'Available'. You can then add the amount to the basket and pay by debit card in the normal way.

Many thanks,

The Year 3 Team
