Year 5 - London Trip to Natural History Museum on Thursday 16th March

Because we are travelling such a long distance, we need the children to arrive on the day of the trip between 7.00am and 7.15am at the latest. Please ensure you send your child in with a packed lunch; if you are eligible and have requested a packed lunch from the school, these will be given out in the morning. If your child requires medication for travel sickness, please ensure you give them their morning dose, then hand the remaining amount to the teacher with the name of your child, the dose and instructions as to when you want this given before the return journey.

Survey about sport & physical activity for children & young people

Year 1 parents - you were sent an email before half-term regarding completing the above survey.

For every parent survey completed, the school receives 1 credit and this can be spent on sports equipment that we can choose from a brochure.

We have so far had 4 parent surveys completed (thank you) but would love more if possible. Please could you check your emails for the link to the survey and complete it for us please if you have some time? The deadline for completion is 17th March 2023 .

Thank you in advance.
