School Uniform

We have noticed an increasing number of children coming into school wearing non-school uniform. Also we are aware that parents have started purchasing uniform in readiness for September and the new academic year, so we wanted to put a reminder of our uniform below and the links to purchase it.

Wordsworth Uniform is unisex and is suitable for all sports and outdoor learning as well as other lessons, and in this weather is breathable too. The footwear is black trainers (or as close to black as possible), along with black shorts or skirts for this time of year (warm weather).

This uniform can be purchased via Koolskools: <https://bit.ly/39zVk1s> Or Skoolkit: <https://www.skoolkit.co.uk/school-uniform/321>

As an alternative parents can choose to purchase a darker polo shirt, Sainsbury's call this type of polo 'Royal Blue.' Asda call it 'Cobalt Blue.'

I was born in Sheffield and I came to Southampton to read Chemistry at Southampton University then qualified to be a teacher. I have been in the area ever since graduating and have always worked in secondary education, holding posts from classroom teacher to Deputy Principal of an Academy. I now have my own Educational Consultancy business and over the last ten years I have worked in schools in Southampton, Hampshire, Wiltshire and London.

I have a huge passion for helping children learn and helping teachers to teach well. My spare time is spent doing voluntary work of various kinds, including school governance, and when I have time I enjoy cooking and walking in the countryside. I thoroughly enjoy being Chair of Governors of Wordsworth Primary School – it's a real privilege to be part of the school.

Calling all Parents!

We have an exciting community project coming up and we would love you to be involved. In order to support our road safety teaching, and support our children with their gross motor development, we are going to redesign the paved area outside of the Y1 classrooms. This will become a trikes, bikes and scooters area with road markings on the ground alongside other resources.

If you work for a company who install paving, bricklaying, fencing, paint floor markings or any company who would be willing to donate or support us, then please contact the school office.

We also need: guttering pipes, wooden planks, large cable reels, tractor/large vehicle tyres.

Another way you could support us with this is by attending and donating cakes or biscuits for our fundraising cake sale after school on Monday 10th July.

All proceeds raised will go towards this project.
