Hamwic will be in school on Monday 10th July to see the progress we have made since our Ofsted report and our action around ensuring everybody knows and understands the Behaviour policy.

A gentle reminder that if you have an enquiry, please email: info@wordsworthprimary.co.uk and not teachers directly. This will ensure that all emails are seen by the right people, are logged on our system and will be responded to in a timely manner.

New Yr R Transition Sessions

NEW YEAR R INTAKE TRANSITION MORNINGS:

A gentle reminder that the final Transition morning for the new Year R intake will be Thursday 13th July 9am to 11am

We also have a Facebook Page where we celebrate achievements; please click [here](#) and give us a follow!

Concerts for children who learn instruments in school

THURSDAY 13TH JULY - for instrument learners in Y5 and Y6 (Violin, Viola, Cello, Woodwind and Brass) and school orchestra at 1.45pm in the School Hall.

Thank You!

A big thank you to Mrs Thompsett for a lovely concert yesterday for Years 2, 3 and 4.

73 parents came and the children performed brilliantly!

I came to the University of Southampton to study Computer Science after growing up in Winchester. A year after graduation, I started working in IT for the University. I've worked there ever since and have been fortunate to work in a few different departments including supporting the education of nurses and doctors .

My son is currently in year 5 so I will be leaving Wordsworth in just over a year's time. I asked him what he thought of Wordsworth and he said, "it's a fun place to learn".

I love being a Governor and I currently, as your Deputy Chair of Governors, take a lead role in working with the school on finance, IT and cybersecurity; the latter of which seems to take on greater importance every year, for all of us.

We Need Your Help

Calling all Parents!

We have an exciting community project coming up and we would love you to be involved. In order to support our road safety teaching, and support our children with their gross motor development, we are going to redesign the paved area outside of the Y1 classrooms. This will become a trikes, bikes and scooters area with road markings on the ground alongside other resources.

If you work for a company who install paving, bricklaying, fencing, paint floor markings or any company who would be willing to donate or support us, then please contact the school office.

We also need: guttering pipes, wooden planks, large cable reels, tractor/large vehicle tyres.

Another way you could support us with this is by attending and donating cakes or biscuits for our fundraising cake sale after school on Monday 10th July. Please bring in cakes in the morning to the office, either baked or shop brought. Thank you.

All proceeds raised will go towards this project.
