### School Update

We have visitors from Hamwic Trust in school next week. They will be looking closely at English, Maths and Behaviour.

We look forward to updating you on the improvements we have made in school over the Autumn Term.

ZOOLAB

### Year 2

A reminder that on Monday 20th November, Year 2 have their exciting visit from Zoolab. They will be providing a workshop showing various animals. The children will get to see and touch these animals if they feel they want to and if the keeper deems it safe too.

It isn't too late to contribute to this visit via your MCAS app. The visit is located under Trips and Visits, under the Available tab. Please visit their website if you'd like to know more about them: <https://www.zoolabuk.com/>

### Hindi

In our school, there are eleven children whose mother language is Hindi. Let's see what we can learn about this language.

English and Hindi are the two official languages of India. Apart from India, Hindi is also spoken in other countries including Mauritius, Suriname, Nepal, Trinidad and Tobago, United States, and South Africa.

It is a first language to about 425 million people and a second language to 120 million.

A reminder for you to complete and return the red or green Christmas meal choices for your child please. There is a white slip attached for you to pick school packed lunches on the day they are not scheduled to have their meal or the children can bring their own packed lunch.

## Welly Station

We now have a brand new Welly Station!

It is located round the side of the building. As we go into Winter we would like to provide a bank of wellies for children to borrow at playtimes to stop their shoes getting wet. If you have any spare wellies that are no longer needed in a range of sizes for our children, from Year R to 6, then we would love to have them.

Please bring any donations of wellies into the school office. Thank you.
